TO TEACH RELIGION IN A CATHOLIC SCHOOL

NAME:

SCHOOL/S:

DELIVERY OF INSERVICES

For accreditation purposes, in-services could be delivered:

- at an individual-school level;
- within a cluster of schools;
- or centrally organised by Brisbane Catholic Education
(eg lectures/workshops by a visiting teacher or religion specialist.)

The designers of programmes to be delivered at these levels would need to ensure that the programmes focus on key areas such as the ethos of the Catholic School. Programmes focusing on personal development and areas such as stress management would not meet the requirements in this area.

Typical in-service themes for accreditation purposes could include:

TO TEACH

- spirituality of the teacher;
- why Catholic schools?
- R.E. across the curriculum;
- school as part of Church;
- ethos of Catholic school;
- history of Catholic school in Australia.

TO TEACH RELIGION

- theological input on topics being taught in the teaching of religion programme;
- spirituality of the religion teacher;
- programming, assessment and reporting in religion;
- evaluating a religion programme;
- teaching methods in religion;
- use of scripture in the teaching of religion;
- Christology, Morality, Sacraments
- Religious Education across the curriculum
- Prayer and liturgy at school
- Catholic education and social justice
