## Principal's foreword

The 2021 Annual Report presents information for reporting requirements and informs the wider community of our school's operations and achievements through the year. The report includes information on the school's profile, curriculum delivery, social climate, school funding, workforce composition and student performance.

Our Lady of Mount Carmel School is a co-educational Catholic Primary School administered through Catholic Education Archdiocese of Brisbane providing educational excellence for students from Prep to Year Six. The Mount Carmel School Community is made up of children, parents, teachers and staff who aim to uphold its motto "By prayer and action we follow Christ" by having a welcoming, inclusive and positive environment.

This document reports on the definitive characteristics of Our Lady of Mount Carmel School which are identified in the school Mission, Vision and Values statement and the ability of the school community to bring this document to life. Pastoral Care of students is reported as a community responsibility which has its foundations in Gospel Values, in mandated educational experiences through the professional and caring work of the school staff in partnership with families.

The high quality of educational experience for students at this school is due to year level team-based planning, assessment and monitoring of student learning data and progress and the participation of staff in whole school quality professional development. Students come to school understanding the value of education and look forward to their participation in their own learning. A variety of extracurricular activities and distinctive curriculum offerings available assist in ensuring that a diversity of student interests can be satisfied. The school is very successful in NAPLAN testing consistently exceeding the national and Brisbane Catholic Education averages for each of the tests in both year 3 and Year 5.

Our Lady of Mount Carmel School is in Norfolk Street, Coorparoo, Brisbane and is approximately 6km from the CBD. The school is a co-educational Catholic parish primary school where enrolment is selective only on the basis that first preference is given to Catholic families living in the parish boundaries. The core values of the school are central to the Mission and Vision Statement and are a reflection of our Catholic traditions and Carmelite charisms. Partnerships with parents through the School Board and Parents and Friends Association create strong support for strategic planning.

The school achieves its mission by ensuring access for all students to all aspects of curriculum. The academic standard is strong with excellent results from NAPLAN testing. Students participate in choirs, school bands, a variety of sporting teams as well as chess club and computer club. Students requiring additional support for learning access a range of support. Annual events include cross-country and athletics carnivals, swimming carnival and school musical in which all students participate. A high level of parent involvement in the school community supports social functions, and a highly successful fundraising fete. A fundraising levy for families complements community support for the school.

# Our school at a glance

## School profile

Our Lady of Mount Carmel School is a Catholic school administered through Catholic Education Archdiocese of Brisbane.

**Coeducational or single sex:** Coeducational

**Year levels offered in 2021:** Primary

**Student enrolments for this school:**

	Total	Girls	Boys	Aboriginal and Torres Strait Islander students
2021	624	366	258	1

Student counts are based on the Census (August) enrolment collection.

Our Lady of Mount Carmel School is reflective of the middle-class suburb in which we are situated. Being six kilometres from the CBD, Coorparoo is middle class aspirational reflecting the price of real estate and the largely professional background of parents. Students are motivated and keen to learn. Students are encouraged to do their best, to co-operate and to mix well in the class playground. The majority of our students have been baptised into the Catholic Church.

## Curriculum implementation

### Curriculum overview

All students at Mt Carmel are introduced to the visible learning concepts of 'learning intentions' and 'success criteria' that help them develop as independent learners. This is supported by the learning dispositions we have adopted MTC-PB (Manage, Think, Be Creative. Persist, Be Brave) designed to develop independent resilient learners. Additional support for learning for all students is delivered through the Learning Centre. This support can be one-on-one or in small groups for extension learning, specific support for specific topics or learning areas for students at all learning levels. Music and Drama are specialist curriculum areas. A Physical Education specialist provides lessons to each class each week and arranges a range of sporting activities for students to participate in. Students from Years 3 to 6 participate in a school house sports program throughout the year as well as having the opportunity to participate in a wide range of inter-school sporting activities. Students from Years 3 to 6 participate in LOTE (Italian) lessons each week. Technology is integrated into everyday learning across all year levels and children are given a range of opportunities to develop their skills. A BYOD iPad program is implemented in Years 5 & 6.

### Extra-curricular activities

Music is a significant extra-curricular activity. Students can learn brass, woodwind, percussion, guitar, violin & keyboard. Instrumental music students are able to join the Junior Band or the Senior Band. The bands participate in the annual catholic schools music competition & other school events. Students are eligible to participate in the Senior & Junior Choirs. This group participates in the annual catholic schools choral competition. The school chess club operates for students of all ages. Tennis lessons are offered before and after school. Junior Engineers is organized through the Resource Centre and takes place after school. Training for a wide variety of sports takes place before and after school. Dance lessons are offered on site outside of school hours.

### How information and communication technologies are used to assist learning

Digital Pedagogies are enhanced at Our Lady of Mt Carmel with the use of iPads across the school. The school provides iPads in Prep to Year 4 in a ratio of approximately one device for two students. These

year levels use iPads to enhance the learning of a particular topic, access online reading resources and promote student collaboration to create learning tasks that utilize appropriate applications. After the initial skill development in this cross curricular priority, student in Years 5 and 6 engage in a 1:1 iPad program. The previously mentioned skills are still promoted in an environment where the importance of digital citizenship is made clear to all students. We aim for our students to be legal, ethical and responsible users of technology.

## Social climate

### Overview

Our Lady of Mt Carmel is blessed with a very actively involved community that is very supportive of the school. Pastoral Care is an important aspect of school life. The school has a behaviour support plan based on our "Code for Peaceful Relationships". This plan has the support of all of our community members. It provides a range of strategies to address behaviour and our response to actions that may be identified as bullying. It is available on our website for perusal. A School Counsellor is at the school three days per week to work with staff, families and students in a variety of supportive ways. Our Lady of Mt Carmel has implemented a whole school Pastoral Care Program designed to assist our students to develop appropriate social skills. Within the program we aim to develop a sense of self-awareness, self-management, social awareness, relationship skills & responsible decision making. Our leadership program for our Year 6 students is incorporated into this pastoral program. Regular school assemblies are conducted to help develop our strong sense of community and to celebrate school successes. OLMC also provides strong support to others less fortunate than us through a range of mission activities across the school year.

## Family and community engagement

Families are involved in the school through participation in the P&F and School Board and by working as volunteers in the school tuckshop, the school Resource Centre and in classrooms. Parents participate annually in Preparatory Orientation days, teacher/parent evenings, formal teacher parent interviews and student support meetings for verified students. The school newsletter is electronically delivered to parents. Class coordinators deliver messages and organise social activities and school support activities. Parents are invited to be trained by the ST:IE to assist with reading tutoring for their own children and as classroom reading parents. Parent information nights are often organised by the P&F and the school to support parents in their role. The school and P&F have worked together to establish consistent communication channels through the Parent Portal to further enhance communication between school and home.

### Description of how non-attendance is managed by the school

Rolls must be marked twice a day:

- AM rolls by 9.00am
- PM rolls after second break and by 2.15pm

Rolls will be checked by Admin Staff by 9.15am each day. A phone call will be made to teachers if their rolls are not marked. If rolls are frequently not marked this information will be passed onto the APA. School Leadership will be advised of unmarked and incorrectly marked rolls.

An unexplained absence occurs when the student is not present at school and the Legal Guardian does not contact the school. An SMS message will be sent to the Main Contact by approximately 10am each day. Admin Staff will follow up any unexplained absences by making contact with the student's Legal Guardians.

Students arriving late or departing early are required to enter/exit the school via the school office. They are signed in/out by the parent/related adult.
