Principal's foreword

The 2021 Annual Report presents information for reporting requirements and informs the wider community of our school's operations and achievements through the year. The report includes information on the school's profile, curriculum delivery, social climate, school funding, workforce composition and student performance.

St Brigid's School is a co-educational Catholic Primary School situated in Nerang in the beautiful Gold Coast hinterland, with an enrolment of 370 students. The School was established in 1994 and is named after St. Brigid, one of the Patron Saints of Ireland. The St Brigid's Way - Making Christ Present is in honour of St. Brigid. Through our curriculum and courses, celebration and worship rituals, our cultivation of the aesthetics and Religious Education program, we attempt as a School to give witness to the essential wholeness of the human experience - social, moral, physical, spiritual and intellectual development.

School progress towards its goals in 2021

Monitoring tool data at the end of 2021 demonstrated the progress through targeted teaching and learning that occurred over the 2021 school year. The progress is evident from the data and is a positive representation of the learning and teaching learning data. 90% of our preps were benchmarking at 1+ and 83.3% reached a benchmark of 5+ by the close of the 2021 school year. Whilst we didn't achieve our 90% benchmark target, we need to keep in mind affect COVID had in 2021 to our normal learning and teaching cycles. This was also reflected in the progress of Year 1 65.6% and Year 2 77.3%.

Our writing results improved from 2020 with the writing monitoring tool. Year 3 89.4%, Year 4 92.3%, Year 5 77.1%, and Year 6 74.4%.

With regards to student achievement there were overall increase in the number of students achieving above the year level expectation from semester 1 to semester 2.

- English: 16.6% to 26.4%.
- Maths: 17.9% to 28.5%
- Religion: 15.1% to 29.3%
- Science: 15.8% to 22.7%

This improvement was reflective of the Explicit Improvement Agenda in curriculum delivery.

Future outlook

After completing a School Improvement Review in 2021, three priority areas were identified.

Strategic Priority: Learning and Teaching (Explicit Improvement Agenda)

Objective: Embedding Model of Pedagogy in English

Curriculum implementation

Curriculum overview

St Brigid's students are engaged in all areas of the Australian Curriculum:

- Mathematics
- Science
- English
- History and Social Sciences (HASS)
- The Arts
- Technologies
- Health and Physical Education
- Languages – Japanese.

We deliver the Religion Curriculum as approved by Brisbane Catholic Education (BCE). St Brigid's continued the implementation of the BCE 'Catholic Perspective on Relationships and Sexuality Education (RSE) as part of the Health and Physical Education Curriculum. In 2020 there was a strengthened and strategic approach to the literacy engagement and achievement of every student – with a focus on the reading progress of P-2 students and writing progress of Yr 3-6 students as part of the school Excellent Learning and Teaching goal. Staff engaged with the BCE literacy and Numeracy Effective and Expected Practices through implementing short cycles of planning. St Brigid's continues to engage in using the three High Yield Strategies of Data Walls, Learning Walks and Talks, and Review and Response.

Extra-curricular activities

Instrumental program - this program offers all Year 3 and Year 4 students the opportunity to take part in instrumental tuition with a qualified instructor. Engaging in this program adds value to the education of our students by helping them achieve new skills by contributing to their own positive self belief, engaging in musical activities with others, positive social interactions and fostering enjoyment through a new recreational activity. Students then have the option to continue in the Year 5-6 Senior Band program

Running Club – was held twice a week by school staff, students from Prep to Year 6 had the opportunity to participate in organised running and strength activities.

Speech & Drama: Students participated in private lessons held onsite.

After-School and during hours on school premises: AF, Soccer, Chess, hours on school premises (Private Providers), Guitar, Piano, Drums, Speech & Drama.

How information and communication technologies are used to assist learning

In 2021, St Brigid's ensured ICT device access for Prep to Yr. 3. A bank of ten iPads with keyboards was purchased for every class to improve student ICLT capabilities and access to the Technologies Curriculum. In Year 3 access was increased to every child having an iPad. St Brigid's also boasts an Anywhere/Anytime 1:1 Device Program for students in Yrs. 4 – 6.

Social climate

Overview

At St Brigid's we have a very clear and shared Vision & Mission, known as The St Brigid's Way, which has now become the foundation for common knowledge, understanding and language which directs how we all live and learn here at St Brigid's Catholic Primary School, Nerang.

St Brigid's also possesses a strong PB4L focus with universal strategies complemented by tiered interventions and supports to build a safe, inclusive and happy school/workplace.

The St Brigid's School Student Behaviour Support Plan 2017 – 2021 clearly outlines the school-wide approach to create a safe and supportive learning environment, as well as our use of anti-bullying strategies, to cater for and support the learning needs of the diverse learners at St Brigid's Catholic Primary School, Nerang.

St Brigid's Catholic Primary School utilises a robust Child Youth Risk Management Strategy (CYRMS) which references system wide policies and procedures which support the safety, protection and well-being of students and is contextualised to our school environment.

Family and community engagement

Our growing culture of collaboration is being strengthened through new representation of parents. 2019 saw the emergence and evolving growth of a Family And Community Engagement (FACE) Teams Strategy, whereby parents and families authentically engaged with the school in the areas of Teaching & Learning, Catholic Identity, PB4L and Events. The St Brigid's School Board is strong and vibrant, providing wise counsel to the Principal and the Leadership Team through a Shared Wisdom model. Unfortunately, due to the limitations of COVID restrictions the FACE teams and School Board did not function as normal. This will have a renewed focus in 2022.

In 2021, St Brigid's staff maintained a cycle of identification and support for diverse learners. Data collection was gained through the Engage data base. Regular support team meetings were held by Support Staff with the Leadership Team to triage and prioritise cases and requests for support, as identified by our teachers. Further consultation with staff, families and external providers took place as recommended at these Main Game Meetings. Goals and adjustments were openly negotiated, discussed and set to allow for access and participation at St Brigid's. Find, Show and Tell Meetings continued in 2020, where the Main Game Team (i.e. Leadership Team, Support Teacher – Inclusive Education, Guidance Counsellor, School Based Speech Pathologist) all meet in-front of the St Brigid's Data Wall and discuss student progress, staff professional development, Learning Walks and Talks Foci and potential Review & Response candidates or Student Support Team Meeting candidates as well as triage any student referrals from staff, parents or caregivers for further support.

Student attendance

The overall student attendance rate in 2021 for all Brisbane Catholic Education schools across years Prep-6 was 92.4%.

| Description | % |
|---|-------|
| The overall attendance rate* for the students at this school | 92.6% |
| Attendance rate for Aboriginal and Torres Strait Islander students at this school | 87.7% |

| Average attendance rate per year level | | | |
|--|-------|------------------------|-------|
| Prep attendance rate | 92.3% | Year 4 attendance rate | 93.9% |
| Year 1 attendance rate | 93.3% | Year 5 attendance rate | 93.5% |
| Year 2 attendance rate | 92.8% | Year 6 attendance rate | 90.0% |
| Year 3 attendance rate | 92.8% | | |

*The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

Description of how non-attendance is managed by the school

- Attendance will be marked for all students each morning and afternoon by the class teachers
- The School Secretary will check this has been done for classes at 9.15am and 2.15 pm daily
- A phone call will be made to the teacher if the class roll is not marked on time
- An email will be sent to the teacher for a class roll not marked
- The Leadership Team will be advised of unmarked and incorrectly marked rolls
- Incorrectly marked rolls will be corrected by the teacher responsible for the class
- Students who are:
 - in class will be marked 'Present – In Class'
 - in an alternate learning activity will be marked 'Present – Alternate Learning Activity'
 - with Guidance Counsellors will be marked as 'Present – In-School Appointment'
 - in sick bay will have their attendance category changed to 'Present – In Sick Bay' by the office personnel
 - participating in activities (excursion; camps etc.) will be marked accordingly by the teacher responsible for the activity
- These attendance categories must not be changed, unless the student is present in class and then the category should be changed to 'Present – In Class'
- Students will only be marked as 'Present – Not Required to Attend' upon instruction from School Leadership
- Students who are:
 - not in class, and notification has not been received from a legal guardian, will be marked 'Absent – Unexplained'
 - not in class, and notification has been received from a Legal Guardian, will be marked 'Absent – Explained'
- When marking the roll, if teachers have received written information from the legal guardian regarding a student's absence from school, the teacher will enter the details (including absence category) into a log in eMinerva
- If the legal guardian has informed the office of the absence, the school secretary will enter these details into a log in eMinerva
- Class teachers should enter any information regarding future planned absences of students by entering a Notified Absence into e-Minerva
- If a student is away for three consecutive days (or earlier if concerned) the class teacher will contact the Legal Guardian
- Any student absent from school without explanation requires same day follow up and reporting to legal guardians on the day of the absence
- If a student has been previously marked 'Present at school' but they are not in class without permission, the teacher is to ring the office and advise that the student is not present. Office personnel will then inform school leadership that the student is missing. They will then attempt to locate the student who will be dealt with according to the school's Student Behaviour Support Plan
- Students will only be marked as 'Absent – Not Required to Attend', 'Absent – Truant' or 'Absent – Internal Suspension' upon instruction from school leadership
- A notification will be sent to the student's legal guardian on the same day once an unexplained absence has been identified.
- If a child protection order is in place, then the Child Safety Officer should be notified as well as the legal guardian.
- Past unexplained absences are indicated by the red Unexplained Absence Alert icon on class rolls. When the class teacher receives written explanation of the absence from the student's legal guardian, they will update the absence category and enter details into eMinerva with the details.

The key strategies in 2021 for increasing attendance was:

- Implementation of a named and known Attendance Policy and Procedures at St Brigid's
- Training for staff in this Attendance Policy and Procedures.
