### Principal's foreword

Aquinas College is a welcoming community enthused by the teachings of Jesus Christ, where academic excellence is valued and students are nurtured to create a future of hope. 2016 saw the commencement of a new Principal, Mr Peter Hurley, following a long legacy created by Mrs Maryanne Finder. This change in leadership has provided an opportunity to look at Aquinas with 'fresh eyes'. It was an opportunity to review and gain an understanding of our current position and engage in the theme for the year; 'Charting the Course'. Over the year, the college community engaged in consultation, planning and strategic renewal. A masterplan process was commenced as was a Vision for Learning. In addition, we created a position of Teaching and Learning Leader with an emphasis on Pedagogy and Practice. This allowed a focus on the Delivering Excellent Learning and Teaching (DELT) to become a priority. Aquinas College is committed to developing the whole person, caring for its community members and providing spiritual and faith development experiences. In 2016, we also participated in the 'Enhancing Catholic Identity' project with Leuven University. Both quantitative and qualitative information was gathered and forms the basis for ongoing religious development. Aquinas College strives to create a learning environment which is safe and happy, therefore promoting the opportunity for students to excel in all aspects of school; including academic, social, spiritual, sporting and cultural.

## Characteristics of the student body

Aquinas College Gold Coast opened its doors in 1964 with 136 boys administered by the Christian Brothers. Aquinas College became a coeducational school in 1991 when Star of the Sea Southport closed. Today, Aquinas College operates as an integral entity of the Southport Catholic Parish within the Archdiocese of Brisbane and under the authority of Brisbane Catholic Education. Aquinas students are mainly drawn from schools on the northern end of the Gold Coast, particularly the Catholic primary schools, Guardian Angels, St Francis Xavier, St Kevin's, Jubilee and St Brigid's. Aquinas is an inclusive college support and integrating over 50 students with disabilities. All students are supported through a comprehensive Pastoral Care system where they are known and nurtured.

## Social climate

Aquinas College maintains a safe and happy learning community. The social climate of the College is a manifestation of the College Vision where Gospel values and those of each house patron. The College is organised through a vertical pastoral care structure where students from each year level work together in a Vertical Pastoral Care (VPC) class under the guidance of their VPC teacher. This longitudinal relationship should span a student's time at Aquinas. Groups of VPC classes form a House Group (Chisholm, Edmund Rice, McAuley, Romero) under the care of the Pastoral Leader who oversees the care of the students in that House. In addition to VPC, relationships are built during Pastoral care lessons where topics such as study skills, goal setting, friendships, personal development, cyber-bullying, camp preparation, career education, driver education, healthy habits, lifestyle and relationships are explored with a mentor teacher. An induction program for Year 7 students outlines necessary processes and procedures to assist in navigating the complexities and idiosyncrasies of Aquinas. In addition, Year 7 and Year 11 students form a close relationship through a structured Peer Support program.

## Curriculum - our distinctive offerings

Aquinas College fosters holistic education and actively engages in living the College vision. This commences in Year 7 where students from a range of catchment primary schools transition between structures and processes of primary into the diverse and dynamic organisation of secondary school. Year 7s are nurtured by core teachers and gradually experience the full life of Aquinas College through electives and integration into the academic, spiritual, pastoral and co-curricular offerings. The curriculum offered in Year 7 welcomes students to the whole range of learning faculties. Students study the core subjects of Religious Education, English, Mathematics, Science, History, HPE. They are also introduced to the Arts (Visual Art, Music and Drama), Technology (Hospitality, Industrial Technology and Design and Information Communication Technology) and LOTE (Japanese) through studying these subjects for part of the year. Year 8 & 9 students choose a number of electives to complement their core study subjects. Year 10 students choose from a wider number of electives. Students in Years 11 and 12 study 6 senior subjects including Study of Religion or Religion and Ethics and English or English Communication. In addition, students are able to complete a range of Accredited and Authority Registered subjects. Certificate and Diploma courses are also available to students. ## Parent, student and teacher satisfaction

Parents continue to display high levels of confidence in the College. The Parents and Friends Association is a vibrant and energetic group who are engaged in a variety of events. Prospective parents regularly state that they 'only hear great things of Aquinas' and keen to have their children enrolled. Student satisfaction is very high. On exit from the College Year 12 students speak of the Aquinas spirit being supportive, passion, emotion, comradeship, fun and faith. Students also speak of being challenged in their learning and well prepared for the next stage of their journey. Students also have opportunities through the Student Representative Council to have their views heard and the feedback received is very positive. Teachers complete a 'Teacher Satisfaction' survey which informs processes and procedures to address and rectify areas of concern.
