### Principal's foreword

St Mary MacKillop Primary School is situated in the beautiful bayside suburb of Birkdale, 27 km from the Brisbane CBD. Our school prides itself on the spirit that can be found in our students, teachers, sporting teams, achievements, friendships and approach to learning.

Our school offers the latest in teaching and learning technology, extra-curricular activities and the benefits of being a high quality inclusive co-educational Catholic school. We offer our students (Prep to Year 6) a rounded education that supports personal growth based on Christian values. We encourage students to develop a knowledge of other cultures, languages and environmental and social issues.

At St Mary MacKillop Primary school we are guided by our patron (St Mary of the Cross MacKillop) who is remembered for being a real, hardworking Australian woman who reached out to many less fortunate Australians. We are inspired by her life, her dedication to God and her triumph over adversity to educate children throughout Australia.

This model supports collaboration between teachers and aids in the consistency of the curriculum and the pastoral care of the students and their families.

All students belong to one of three sporting teams within the life of the school including (Reed, Wren and Woods). Inter-house school carnivals are held during the year in swimming, cross country and athletics.

## Social climate

Our school is an integral part of the St Mary MacKillop Parish and we value the relationships between all community members. Just as Jesus and St Mary MacKillop embraced and helped all people, we endeavour to be welcoming and promote a strong sense of belonging and involvement to all community members. Our parent pastoral network provides activities for families to connect with each other in the true spirit of a Christian community.

At St Mary MacKillop, we place the highest priority on the safety and care of our students. We have a comprehensive Behaviour Support Plan that is guided by the core beliefs of Respect, High Expectations for all and Consistency. Our anti-bullying processes support open education, communication, justice and resolution.

## Parent, student and teacher satisfaction

Data from our Annual School Effectiveness Survey conducted in 2016 revealed a very high level of parent satisfaction with the school across a wide range of areas. In terms of staff satisfaction, all members of staff engaged in a thorough survey that was conducted centrally by Brisbane Catholic Education. Results of the survey were again very positive for our school and we ranked more than favourably in comparison to other Catholic schools within the region.

## Parent engagement

Parent involvement in children's education and the general life of St Mary MacKillop Primary School is both highly valued and a crucial component of the educational team working together for the education of each child. Parent involvement can be as diverse as one wishes, ranging from direct involvement in classrooms (as co-ordinated by individual teachers), working bees, student assemblies and awards ceremonies, mowing rosters, excursions etc. Parent involvement is welcome and encouraged. All volunteers are required to be trained in Student Protection and Safety protocols before they can lend their skills and services within the community. Either through undertaking the training via a home based module or attending school based training, parents, grandparents and friends are asked to agree to a code of conduct and register as a volunteer in the school.
