Family and community engagement

Parent engagement is actively encouraged. Communication is promoted through the Parent Portal where parents can access weekly newsletters, policies and forms and receive latest messages concerning the school. Teacher/Parent communication through email on a weekly basis, Parent/Teacher interviews are formally held at the beginning of the year to discuss the needs of parents regarding their child and mid-year to discuss academic progress. Student Support Team Meetings that include parents are conducted twice a year for students with special needs to set goals and review each child's progress accessing the curriculum. Parents assist with student reading in classrooms, through involvement and participation in the many prayer and social functions and through other opportunities - tuck shop, prayer and general assemblies, sports days. Community engagement occurs through close links with the parish – children attend weekly masses and visit De Paul Villa on a regular basis. Community volunteers assist with Design and Technology activities, fundraisers for St Vincent de Paul, P&F functions and extra-curricular activities.
