Principal’s foreword

The 2019 Annual Report presents information for reporting requirements and informs the wider community of our school’s operations and achievements through the year. The report includes information on the school’s profile, curriculum delivery, social climate, school funding, workforce composition and student performance. Mary Immaculate Catholic Primary School situated within the Archdiocese of Brisbane and located in Brisbane’s inner-city suburb of Annerley is a small, inclusive and diverse Catholic school community. In 2019 our enrolment was 121 students from 83 families. Our dedicated school staff numbers 25, with our Leadership Team consisting of a full-time principal, a part-time APRE and PLL. Teaching staff consists of 4 full-time classroom teachers and 3 part-time classroom teachers in job share arrangements. We have specialist teachers for Art, Music and LOTE (Spanish). Our inclusion team consists of a STIE, a Guidance Officer (1 day per week) and a part-time EALD teacher (1.5 days per week). Support staff include one part-time Teacher-Librarian/Information Communication Technology support (3 days), a part-time groundsman (6hrs per week), two part-time secretarial staff and 3 part time school officers. Mary Immaculate has a rich tradition of providing an inclusive Catholic education to the families of Annerley and beyond. It is a school that has been blessed for many years through the dedication and teaching of the Sisters of St Joseph. Today we strive to carry on the legacy of Mary McKillop and the Sisters of St Joseph, while bringing to it our own unique gifts and insights.
Our learning community is gifted with families from diverse social and cultural backgrounds, as well as many faith traditions. Together, we seek to establish a life-long learning community that builds a more just world through positive relationships and quality education.

**School progress towards its goals in 2019**

Mary Immaculate Catholic Primary School staff have worked towards successfully meeting the expectations of the following goals:

**Strong Catholic Identity**

**Formation:**
By the end of 2019, we will continue to grow the holistic and inclusive formation of our school community by exploring the theme of ‘Harmony’ through the capacity of ‘Welcome’ and through the engagement of BCE spirituality formation modules.

**Planning:**
By the end of 2019, implementation of the Relationships and Sexuality Education (RSE) – A Catholic Perspective will continue. This will be achieved through targeted professional learning for all teaching staff and focused planning with APRE and PLL.

By the end of 2019, the school will have given high priority to the monitoring of short cycles of planning and quality assessment to improve the classroom teaching of Religion.

**Building a Sustainable Future**

By the end of 2019, the School Board and Parents & Friends will engage and consult with all members of the school community to continue updating existing policies and inform new policy development.

By the end of 2019, Mary Immaculate staff will develop and implement a Reconciliation Action Plan.

The explicit improvement agenda for 2020 will focus on gaining improvements in the following areas:

- Develop a school process for communicating student attendance profiles with families.
- Provide Professional Learning aimed at building teachers’ and leaders’ data literacy skills

Characteristics of the student body

Approximately 48% of the students attending Mary Immaculate live in the Annerley, Tarragindi and Moorooka postcodes. As the school is located on a major arterial road that runs into the city (Ipswich Road) linking southern and western suburbs of Brisbane, the school attracts families from other areas of Brisbane. In all, enrolments came from over 41 post codes in 2019.

In 2019, 34% of the students have English as an Additional Language/Dialect (EALD), coming from India, Africa, South America, Asia and the Middle East. An ongoing challenge and focus for our community in ensuring that school is engaging with parents effectively. A number of strategies have been employed in an attempt to do this more successfully, including the use of interpreters at support meetings and the development of communications policy. The teachers and school officers, led by our Student Support Team (Principal, PLL, STIE, EALD Teacher and Guidance Counsellor) provide exceptional support to these learners. Students from Mary Immaculate transition to secondary schools including: Our Lady's College, Annerley; St James College, Spring Hill, St Laurence’s College, South Brisbane; Clairvaux MacKillop College, Upper Mt Gravatt; Loretto College, Coorparoo; and local State High Schools.
Curriculum delivery

Approach to curriculum delivery

Our goal is to create a quality Catholic learning community centered on Christ that is caring, life giving and personal, whilst recognising the uniqueness of each child.

As a school community, all learners are guided by the Active Learner framework. This framework describes the behaviours and Ways of Working (WoWs) which articulate the appropriate and positive behaviours and thinking expected of all learners. The ‘Active Learner’ is a framework made up of eight Ways of Working, referred to as WoWs. Each of the eight WoWs contain three supporting statements that describe both the ‘thinking’ and the ‘behaviours’ required for successful learning. These statements provide students, staff and parents with clear expectations for learning. As a school, we formally celebrate learner growth and achievement at weekly Whole School Assemblies where Active Learner awards are presented.

Assessment for learning is a regular part of learning and teaching at Mary Immaculate where teachers gather information about learners, analysing and interpreting that information and using that information to inform and shape the learning and teaching process.

Planning, Implementation, Assessment and Reporting

Each class teacher plans, implements, assesses and reports on all Learning Areas as stipulated by the Australian Curriculum, Brisbane Catholic Education and Queensland Curriculum and Assessment Authority.

Specialist Teachers plan, implement, assess and report on their identified Learning Areas.

Planning

All planning is the responsibility of the class teacher using the identified planning proformas and kept on the school portal to enable collaborative planning.

Within these planning documents the following elements are clearly identified.

- Identified statement from year level achievement standard
- Identified content descriptors
- Learning Intention/s
- Success Criteria
- Assessment tasks
- Sequenced Learning Experiences
- Resources
- Differentiation and adjustments for students with additional needs

Other elements to consider when planning include:

- Catholic Perspective and Relationships and Sexuality Education
- Links to other key learning areas
- Incursions and excursions
- Cross Curricular: Aboriginal and Torres Strait Island Histories and Culture, Asia and Australia’s Engagement with Asia, Sustainability
- Class teachers also develop a class timetable that includes all identified time allocations.
- Class teachers provide an overview for parents of the units of work to be covered in each learning area each term.
It is the class teachers’ responsibility to see that each Learning Area is implemented using Brisbane Catholic Education’s agreed Effective and Expected practices.

**Written Reports**
At the end of each semester, parents are issued with a formal written report by the school. Parents/caregivers are interested in finding out how their child is progressing, their achievement and where their learning is to be directed in the future. This report summarises evidence of student learning about how the student is achieving, provides feedback about the quality of this achievement and provides direction about where to next. Reporting involves teachers making a professional judgement on a body of evidence about a student’s progress and achievement against the curriculum. These judgements are made against the achievement standards of the Australian Curriculum. A teacher’s professional judgement is at the heart of reporting student achievement. At Mary Immaculate, teachers use a number of assessment tools and evidence of student work to inform their judgments.

**Parent Teacher Interviews**
Parent Teacher Interviews offer an opportunity to build partnerships between parents and the school. In particular, mid-year interviews allow teachers the opportunity to talk with parents about their child’s progress in their learning, social development and any issues the student may be experiencing. At Mary Immaculate, parents are invited to a Parent Teacher Interview as per the following:
- Term 1 (Informal opportunity- voluntary)
- Term 2 (Formal Meeting - essential)
- Term 4 (Formal Meeting – voluntary)

How information and communication technologies are used to assist learning

Within the classroom, Information Communication Learning Technology (ICLT) supports student learning, and is dictated by student age, ability, and links to the curriculum.

Information and communication technologies (ICT) are used across the school to ensure the students are accessing the Australian Curriculum and developing their ICT capacity. The school is well resourced to provide this access, with a 1 to 1 iPad ratio in Prep to Year 6. Teachers provide students with opportunities to creatively use technology to demonstrate their learning across all areas of the curriculum, team teaching with our TL/ICT teacher once a week. The school proactively promotes Digital Resilience, providing students and parents with practical strategies to ensure responsible use of all technologies.

We have interactive whiteboards in every classroom (which are regularly used by staff and students) and wireless internet capabilities and Apple TV available throughout the school. Students use a variety of applications on their tablets. Students access online literacy subscriptions, such as Reading Eggs and Wushka, to further develop their language skills. Students additionally use Seesaw, an online portfolio, to communicate learning to parents.

Social climate

Overview

The community at Mary Immaculate School works within a climate of trust and respect to achieve our common goals. Teachers are involved in working with students across all year levels. Each term, we implement a school “Wellness” week. This is an opportunity for our school to support the mental health of staff and students and create ways to reduce stress and anxiety. The schools’ Active Learner butterfly is used extensively across Mary Immaculate’s school expectations. Each week, teachers identify students who are displaying positive behaviours, and meeting these our Active Learner Ways of Working, in the classroom and playground. Each week, one student is nominated by a staff member to receive the ‘Incline Your Heart’ Award. The award, based on our school motto, ‘Inclina Cor Meum’, guides us all in being living examples of Christ. The chosen recipient works in harmony with others, acting justly, displaying compassion and humility. The ‘Incline Your Heart’ Award is much valued by all in our community as we acknowledge and celebrate those who inspire us through their actions and words. The recipient of this award is presented with a certificate. These student achievements are celebrated and recognised at our weekly school assemblies.

At Mary Immaculate, a well-established culture for improvement is strongly evident across the school. Staff engagement with these processes and with collaborative opportunities indicate a positive staff culture. There is a professional review culture evident at the school, with staff valuing the connection between review process and school goal setting.

Family and community engagement

At Mary Immaculate we extend an open and warm welcome to all parents and encourage participation and involvement in the on-going process of the education of their child/ren.

At Mary Immaculate Primary Catholic Primary School, there are many opportunities for parental involvement in the life of the school including:

- supporting activities in the classroom
- volunteering to assist with in-class support, class excursions, the school tuck-shop, the uniform shop, working bees and sporting days
- becoming a member of the School Board or Parents & Friends Committee

School Boards within the Brisbane Archdiocese are Boards of pastoral governance. A model of discernment called 'sharing wisdom' has been adopted as the most appropriate form of school governance in the Archdiocese. The School Board listens to the wisdom of the members of their community and their own Board membership in order to know how best to lead and serve them.

The Parents and Friends aims to provide an avenue for parents and supporters to work with the school Principal to further enhance children's education, to maintain, care for and develop the school and grounds, and to promote the interests of the children and the school. Every parent and carer is automatically a member of our P and F and are invited to consider coming along to meetings and nominating for either a role on the Executive Team or by volunteering to take on a Sub-Committee role.

Parents have opportunities to provide input and feedback annually via school renewal processes. Parent engagement with these processes, and engagement with annual action plans, indicate strong parent satisfaction. Our school continually works on improving its ability to communicate effectively with the various cultures in the community.

Our School Assemblies provide an opportunity for the school to come together as community to celebrate and pray. Parents and carers are always welcome to attend these gatherings and are especially invited to attend when their child is receiving an award. Our extremely supportive P&F Association organise school discos, BBQs, a bi-annual Multicultural Festival, as well as parent only social events. They work in partnership with the school and our School Board to cater for special school events, like Mother's Day and Father’s Day. We are a Positive Behaviour for Learning (PB4L) school and explicitly teach school expectations and address behaviour issues, through offering support for all parties involved. Parents/carers and staff work together in partnership to support the learning and social education of all students.
We communicate regularly with parents and our community using a variety of tools:

- Parent Portal (parent access only)
- Weekly Online Newsletter
- Online News Flash
- Seesaw application – for teachers and students to share their learning and teaching
- Email/phone calls

Our STIE works closely with teachers to provide effective consultation processes regarding the adjustments made to assist students with diverse needs and keep their families informed and included. Students with diverse needs are supported to access and participate fully at school.

**Environmental footprint**

**Reducing the school’s environmental footprint**

This is the first year of reporting on the school’s electricity usage. Responsible energy usage supports the school’s efforts towards a living response to Pope Francis’ Encyclical Laudato Si’ Care for our Common Home. One of our first actions identified is to reduce the heat-island effect, establish outdoor learning areas and increase the landscaping and tree canopy to conserve the local bio-region:

**Finding:** While there is good natural light and access to undercover space with high visual amenity, the artificially grassed area creates an unfavourably high heat-island effect.

**Action:** Develop and act on a landscape masterplan to reduce local heat stress by 3 to 5 degrees and incorporate cultural, spiritual, and/or environmental initiatives throughout the site.

We were successful in applying for the Lord Mayors Community Fund for a shade sail over one side of our artificial grassed area. This will create an outdoor learning area for lunch time groups and provide shade for our outdoor sacred space.

The overall student attendance rate in 2019 for all Brisbane Catholic Education schools across years Prep-6 was 91.9%.
Description of how non-attendance is managed by the school
Catholic schools in the Archdiocese of Brisbane have a responsibility to record student attendance and respond to instances of irregular attendance. Attendance improvement can be developed within the supportive environment of a dynamic, Christ-centered community that exists within Brisbane Catholic Education (BCE) Schools. A positive school culture is developed by a welcoming, safe, inclusive, and supportive school environment that promotes student engagement with learning, student wellbeing and positive relationships. At Mary Immaculate, attendance is everyone’s responsibility. We utilise the support tools provided by BCE to implement roll marking processes. Rolls are marked by classroom teachers each morning and each afternoon.

Absences
Parents are required to notify the school if their child is not attending due to illness or other reasons. Parents can notify the school via phone or via the BCE Connect App. If the school is not contacted by 9am, an automatic SMS message will be sent to the parent requesting that they contact the school to verify the child’s absence and reason.

Late Arrivals
Students are expected to be at school for the commencement of the school day. Any student arriving at school after 8.50am is noted in our attendance records as late. Parents are required to accompany their child to the office to officially sign their child in.

Strategies to promote attendance
• promote a positive school culture
• inform parents of their legal obligations about student attendance
• ensure attendance marking is completed in accordance with our school student attendance procedure
• monitor student absences and identify when absences are of concern
• ensure attendance records and notes are managed in accordance with current BCE recommendations
• assists to celebrate and acknowledge high attendance
