Principal's foreword

The 2020 Annual Report presents information for reporting requirements and informs the wider community of our school's operations and achievements through the year. The report includes information on the school's profile, curriculum delivery, social climate, school funding, workforce composition and student performance.

Sts Peter and Paul's School is a Catholic, co-educational primary school administered through Catholic Education Archdiocese of Brisbane. In 2020 enrolment is approximately 668 students from Prep to Year 6. Established in 1916 by the Good Samaritan Sisters, Sts Peter and Paul's Primary School aims to foster an environment based on the values and understanding of Good Samaritan heritage – faith, compassion, community, excellence.

Sts Peter and Paul's Vision Statement "Learning together for life & live teachings of Jesus" along with the Mission Statement "Educate the whole child by guiding and inspiring children to reach their potential" forms the basis of school life. The school ensures a balance between individual and societal needs. Sts Peter and Paul's provides a diverse range of learning experiences to ensure our children are happy, engaged and interested in learning. Specialist programs offered include LOTE (Japanese), physical education, music and drama. In addition, our Prep and Year 1 students participate in a perceptual motor program. Our student body is supported by the activities of our Year 6 Leadership Committees via which our students enjoy leadership formation. Inclusion, early intervention and enrichment programs provide for support students with additional needs.

Parental involvement is regarded as an integral part of a child's development, resultantly the school embraces parental support in both the operational and organisational aspects of the school. An active Parents and Friends Association and School Board exist.

School progress towards its goals in 2020

The explicit improvement agenda for 2020 focused on gaining improvements in enhancing our Catholic Identity; Delivering Excellent Learning and Teaching; and Building a Sustainable Future. This involved:

- the newly developed Vision, Mission and Values Statement to develop a culture of continuous professional improvement to grow student engagement, progress, achievement, and well-being.
- formalising school wide clarity of expectation, consistency of practice, personal and collective responsible and accountability for improvement in student learning.
- enhancing the existing school data plan to include the purpose underpinning the collection of each data type, and the various quantitative and qualitative well-being data used to inform pastoral decisions.
- Developing a school wide shared understanding and practice of differentiation.
- Providing greater challenge for all students by teachers embedding high order thinking skills in all learning areas.

Future outlook

The explicit improvement agenda for 2021 will commence with a new Principal and Assistant Principal joining the team with a focus on:

Catholic Identity:

- Strengthen Catholic Identity through a focus on our Good Samaritan charism and formation.

Learning and Teaching:

- Embed a whole school consistent approach to the teaching of Mathematics to progress achievement and wellbeing of all students.

Wellbeing:

- Nurture safe, inclusive and connected community by embedding Positive Behaviour For Learning (PB4L) strategy.

Our People:

- Use the Vision and Mission Statement and named Values to foster a culture of continuous professional improvement.

School profile

Sts Peter & Paul's School is a Catholic school administered through Catholic Education Archdiocese of Br

Coeducational or single sex: Coeducational

Year levels offered in 2020: Primary

Student enrolments for this school:

	Total	Girls	Boys	Aboriginal and Torres Strait Islander students
2020	668	370	298	5

Student counts are based on the Census (August) enrolment collection.

Sts Peter & Paul's School students are from families who live in and around the local Bulimba area. Students represent a range of social and economic backgrounds. As a Catholic community we are encouraged to look beyond our own cultural reality and to develop an understanding of the lives of people in a variety of communities. A very small number (less than 1%) of families have identified as indigenous. The school caters for the needs of students (less than 4% of the student body) with verified disabilities and a small number of students (around 3%) for whom English is a second language.

Sts Peter and Paul's students are very well supported and given many opportunities to support their learning. They are actively involved in the local and wider community, participating in many extra-curricular activities.

Student enrolments are very strong in Prep – Year 4 with some boys moving to the Religious Institute Schools (St Joseph's Gregory Terrace, St Laurence's College, Villanova College, Iona College and Churchie). Sts Peter and Paul's has a strong number of boys who remain at the school until the end of Year 6 and then move to the abovementioned schools. Our girls at the end of Year 6 move to Lourdes Hill College, All Hallows School and for those preferring a co-educational secondary education, a few students attend Cannon Hill Anglican College.

We are a Catholic School with a student population of over 80% Catholics, with families actively engaged in the life of the Parish. Sts Peter & Paul's School is more than an educational facility, it is a place where community spirit is strong and a shared vision for giving our students a balanced education based on Gospel values is evident daily.

Curriculum implementation

Curriculum overview

The approved curriculum is enhanced and supported at Sts Peter and Paul's by the following distinctive curriculum offerings: Music, Physical Education, Drama, Japanese, Perceptual Motor Program and Enrichment classes. These offerings are supported by the following specialist teachers and staff: Teacher Librarian, Support Teachers - Inclusive Education, Primary Learning Leader, Physical Education Teacher, LOTE teacher, Music Specialist teacher, Drama Specialist Teacher and the ICT support consultants and School Officers.

Value-added programs included but were not limited to:

- 1:1 Laptop program (Years 5 - 6) providing school and home access to quality technology
- School Leadership Program for Year 6
- Music, Drama and Physical Education Specialist Lessons for students in Years Prep to Year 6
- Perceptual Motor Program for Prep and Year 1 students
- Japanese for Years 2 – 6
- School Senior Choir and a School Concert every year
- Swimming Program - Prep to Year 6; Interschool Sport; and School, Catholic and District Carnivals
- Proactive Social Skills Program; Games Club at Lunchtime; Student Protection Programs
- Behaviour Support Plan and associated programs
- Day Camp Program for students in Year 4; Beach Camp for Year 5; Canberra/Sydney Trip for Year 6
- Days of Celebration e.g. Sts Peter & Paul's Feast Day; Catholic Education Week; Book Week; Day for Daniel; World Environment Day.

Extra-curricular activities

We provide an excellent Physical Education and Sport Program at Sts Peter & Paul's School including: Swimming, Cross Country, Athletics, European Handball, Netball, Volleyball, Tennis, Soccer, Aussie Rules and Touch Football. Years 4-6 students participate in Inter-School Sport. Fit Club is popular and is a highly organised activity promoting fitness levels for students preparing for Cross Country and Athletics events.

A whole school Buddy Program is a highlight for students as they engage in activities which foster learning, friendship, and enjoyment.

We offer Instrumental Music (Piano and Guitar), Science Club, Chess Club, Go Sports, Tennis, AusKick and Rookies to Reds which are all co-curricular activities happening outside of the school day but on the school premises.

How information and communication technologies are used to assist learning

At Sts Peter & Paul's School, the ICT capability supports and enhances student learning across all areas of the curriculum. Students are exposed to a variety of devices throughout Prep – Year 6 to support their learning. This includes the use of iPads, Laptops, BeeBots, Lego WeDo as well as STEM projects. Students engage in designing and creating multi-modal presentations. Throughout the school, ICT is used as a creative tool to generate simple solutions, modifications, and data representations. In Years 5 and 6, students participate in a 1 to 1 environment.

In 2021 Year 4 will move to a 1:1 iPad environment and a roll over plan for devices will be created.

Social climate

Overview

There is a strong school climate evident at Sts Peter & Paul's School which provides a safe and supportive learning environment. Our model of pedagogy aims to focus on learners and their learning, ensuring that our classrooms are positive environments so that each student's learning is differentiated.

A Student Behaviour Support Plan has been developed. It ensures and supports a proactive rather than a reactive approach to student behaviour education.

The Parents and Friends; and School Board members work very hard to build a strong Catholic community which assists staff to nurture the students in a supportive faith community. Our very generous Parents and Friends Association supports the school in a host of different ways, including: organising and running a very successful major fundraiser each year in order to further resource the school; the Care and Concern Committee assists families to feel welcome, valued and supported; the Health and Wellbeing Committee organises a variety of initiatives e.g. Day for Daniel, Parent Information Evenings (e.g. Occupational Therapy parent education session); and the Sustainability Committee introduces and supports initiatives throughout the school. The Parents and Friends supplements school communication/news via reminders, events and up-dates through the P & F Facebook page and the School Newsletter. There is also a Grants Committee who actively source, write and submit applications on behalf of the school.

Parents are welcomed into the school to join children's prayer celebrations and school assemblies. They spend time helping in the tuckshop, library, and classrooms. They act as Class Co-ordinators and provide excursion, carnival, and sport support. Opportunities are provided for parents to deepen their knowledge and understanding of current pedagogical practices.

Family and community engagement

Sts Peter & Paul's School actively welcomes the involvement of parents within the school to assist in their child's learning and development. At the beginning of each school year all parents are invited to an information evening with their child's teacher. Parent Teacher interviews are on-going throughout the year at the request of either the teacher or parent.

Class Co-ordinators assist teachers with classroom initiatives, welcoming new families, social interactions, sustainability initiatives and other activities connected with the curriculum.

Staff organise meetings and/or information sessions for parents regarding camps, excursions and other activities that support the curriculum.

Parents generously help throughout the year with a variety of programs including: Sport and Physical Education; Visual Art; Reading; various Subject Rotations; Library Support; Tuckshop; undertaking joint home/school projects and assignments; and organising activities for students to participate in e.g. Day for Daniel (Daniel Morcombe Foundation).

As a school we value open dialogue with our families and we strive to develop and maintain healthy relationships among and between staff, students, and their families. As a school we work closely with all stakeholders to ensure that adjustments are made to assist with the diverse learning needs of our students so that they can fully participate in the life of the school.

The Covid-19 pandemic impacted parent engagement on the school grounds in Terms 2-4 of 2020, however, parent engagement remained a priority where possible and practical.

Environmental footprint

Reducing the school's environmental footprint

2020 is the second year of reporting on the school's electricity usage. Responsible energy usage supports the school's efforts towards a living response to Pope Francis' Encyclical Laudato Si' Care for our Common Home.

Sts Peter & Paul's School makes a conscious effort to reduce its environmental footprint by using solar power in one classroom block and some energy saving fittings throughout the school. Further initiatives are being investigated in 2020 following a consultative phase with external providers re: an LED lighting proposal.

*The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

Description of how non-attendance is managed by the school

Sts Peter and Paul's School is diligent in the management of student attendance. The school uses electronic roll marking for teachers to check student attendance twice a day. Parents of children

arriving late or exiting school early are required to use an electronic check in system (ALLE). Student absenteeism is recorded on Student Reports each semester and children taking holidays during school time are required to have school approval for this leave. High levels of absenteeism are investigated to see where the school can be of support in ensuring all children are attending school regularly.
