2018 Year 12 completers survey

Post-school destinations of Year 12 completers from 2017

Aquinas College

Introduction

This report is to inform the school community about Year 12 completers' transitions into further education, training and employment.

This information is useful for:

- reviewing programs and services, such as subject offerings, career advice and links with employers and tertiary institutions
- reporting to parents through newsletters, annual reports and the school website.

The results are from the Department of Education's *Next Step* — *Year 12 Completers* survey. The survey is conducted six months after the end of each school year when students will have accepted tertiary education places. Students who completed Year 12 in 2017 at a State, Catholic or Independent school, or TAFE secondary college in Queensland are included.

Post-school destinations are influenced by the transitioning environment, which can limit the options available to young people. Low response rates may not give an accurate summary of the school cohort's destinations.

For more information on the survey, including regional and statewide reports, visit the *Next Step* website www.gld.gov.au/nextstep. Regional and statewide reports will be available from October 2018.

Survey response rate

57.7% (113 out of 196 Year 12 completers)

Decreased by 21.0 percentage points since 2014.

Due to the low response rate, care should be taken interpreting these results.

School's response rate compared with region and state

Post-school engagement

Year 12 completers from Aquinas College have been categorised by their engagement in education and training, or employment. Survey respondents who are both working and studying are included in education and training. Apprentices and trainees are required to undertake a study component to their qualification so are also considered to be in education and training.

Engagement in education, training or employment

93.8% engaged in education, training or employment

Of the 113 respondents, 69.0% continued in some recognised form of education and training. The most common study destination was bachelor degree.

A further 24.8% transitioned directly into paid employment and no further study.

6.2% not in education, training or employment

There were 6.2% of respondents not engaged in education, training or employment, with 2.7% seeking work.

Engagement in education, training or employment over time

Increased by 2.1 percentage points since 2014

How does your school compare?

Main Destination

Post-school destinations of survey respondents from Aquinas College in 2018.

All Year 12 completers were assigned to a main destination. This categorisation system prioritises education-related destinations over other destinations. For example Year 12 completers who were both studying and working are reported as studying for their main destination.

6.2% of respondents deferred a tertiary offer and are reported in their current post-school destination in this report.

Explanatory Notes

Main destination

A structured hierarchy of study and labour force destinations for Year 12 completers, who were assigned to categories as follows:

- students were assigned to the relevant Higher Education or VET category, even if they were also employed
- apprentices and trainees were assigned to their respective category and classified as Education and Training since their training involves study
- those assigned to a labour force category (employed or seeking work) were not also undertaking study
- those who were not studying and not in the labour force (not employed and not seeking work) were categorised as NILFET.

Main destination categories

Education and Training – Higher Education	
Bachelor Degree*	Studying at Bachelor Degree level (including Honours), or higher.
Education and Training – VET categories	
VET Cert IV+*	Studying at Certificate IV, Diploma, Advanced Diploma or Associate Degree level (excluding apprentices and trainees).
VET Cert III*	Studying at Certificate III level (excluding apprentices and trainees).
VET Cert I–II/other*	Studying at Certificate I or II level (excluding apprentices and trainees). This category also includes students in an unspecified VET course, other basic course (e.g. short course) and unknown course level.
Apprenticeship*	Employment-based apprenticeship.
Traineeship*	Employment-based traineeship.
Labour force	
Full-time employment	Working full-time (35 hours or more per week) and not in an education or training category. This includes people with multiple part-time or casual jobs that total 35 hours or more.
Part-time employment	Working part-time or casual (fewer than 35 hours per week) and not in an education or training category.
Seeking work	Looking for work and not in an education or training category.
Not in the Labour Force, Education or Training	
NILFET	Not in education or training, not working and not seeking work.

^{*}Some respondents may also be in the labour force.
