### **2024 Year 12 completers survey**

Post-school destinations of Year 12 completers from 2023

## **Mt Maria College - Petrie**

**Queensland**  
Government

# Introduction

This detailed Next Step report belongs to your school and can be used for school planning. It provides information about Year 12 completers' transitions into further education, training and employment approximately six months after completing school.

The results are from the Department of Education's Next Step – Year 12 Completers survey, which attempts to contact all Year 12 completers from state, Catholic or independent schools in Queensland.

Post-school destinations are influenced by the transitioning environment, which can limit the options available to young people. Low response rates may not give an accurate summary of the cohort's destinations.

This report has not been publicly released. It is recommended that schools **do not** publicly release their detailed Next Step report as it may contain sensitive information. A one-page summary report has also been provided, which is suitable for public release.

# Main destination

This section examines the post-school destinations of survey respondents from Mt Maria College - Petrie in 2024.

All Year 12 completers were assigned to a main destination. This categorisation system prioritises education-related destinations over other destinations. For example, Year 12 completers who were both studying and working are reported as studying for their main destination (see Appendix 2).

9.1% of respondents deferred a tertiary offer and are reported in their current post-school destination in this report.

## Appendix 2 – Explanatory notes

### Main destination

A structured hierarchy of study and labour force destinations for Year 12 completers, who were assigned to categories as follows:

- students were assigned to the relevant higher education or VET category, even if they were also employed
- apprentices and trainees were assigned to their respective category and classified as education and training since their training involves study
- those assigned to a labour force category (employed or seeking work) were not also undertaking study
- those who were not studying and not in the labour force (not employed and not seeking work) were categorised as NILFET.

### Main destination categories

#### Education and training – higher education

Bachelor Degree*	Studying at Bachelor Degree level (including Honours), or higher.
------------------	---

#### Education and training – VET categories

VET Certificate IV+*	Studying at Certificate IV, Diploma, Advanced Diploma or Associate Degree level (excluding apprentices and trainees).
